SUMMARY

Computer Science Engineering undergraduate (CGPA 8.5) building AI-driven and full-stack applications with Python, React, Django and Spring Boot. Hands-on with Generative AI, computer vision (OpenCV, MediaPipe), data analysis and cloud (Azure, AWS). 1st Runner-Up at the PFRDA National Hackathon, IIT Kanpur; Top 10 of 300+ teams at She Builds Tech 3.0 (KSUM); co-inventor on a published Indian patent.

EDUCATION

Christ College of Engineering, Irinjalakuda — *B.Tech, Computer Science and Engineering* 2024 – 2028
CGPA: 8.5/10 • Coursework: Data Structures, DBMS, Machine Learning, Microcontrollers

Sacred Heart CGHSS, Thrissur — *Higher Secondary (Biology–Mathematics)*: 95.8% 2022 – 2024

St. Joseph CGHS, Thrissur — *Class 10*: A+ in all 10 subjects 2022

TECHNICAL SKILLS

Languages: Python, JavaScript, C, HTML, CSS
Frameworks & Libraries: React, Node.js, Django, Spring Boot, Thymeleaf, OpenCV, MediaPipe, Tkinter
AI & Data: Generative AI, Agentic AI, LLM chatbots, Computer Vision, Pose Estimation, Exploratory Data Analysis, Langflow, IBM watsonx
Backend & Cloud: REST APIs, Database Integration, CRUD, Microsoft Azure, AWS, Git, GitHub, Linux
Design & Security: Figma, UI/UX Prototyping, Kali Linux, VirtualBox, Penetration Testing Basics

EXPERIENCE

VOIS (Vodafone Intelligent Solutions) — *Data Analytics Intern*, Remote Aug 2026 – Present
- Perform exploratory data analysis (EDA) in Python to clean data, identify trends and summarise insights for reporting.

Infosys Springboard — *Python Developer Intern*, Remote Jul 2026 – Present
- Develop the Dashboard and Reports modules of BudgetBuddy, a team budget-planning web application, under an Infosys mentor.
- Deliver features through Git branches and pass milestone-based code evaluations.

Microsoft Elevate × AICTE — *Cloud Computing Intern (Azure Track)* 4-week program
- Deployed and managed Azure virtual machines and storage in mentor-led projects; applied IaaS, PaaS, SaaS and cloud security practices.

Additional: AI & Cloud Internship (Agentic AI workflows in Langflow, GenAI chatbots, IBM watsonx) • VOIS Cybersecurity Internship (keylogger research, Kali Linux labs) • Forage Simulations: BCG X UI/UX, Deloitte Cybersecurity, Tata Data & AI (2025)

PROJECTS

NPS Saathi — AI-Native Multilingual Pension Copilot | *Generative AI* PFRDA Hackathon, IIT Kanpur
- Designed a GenAI copilot delivering personalised, multilingual guidance to simplify National Pension System services and widen financial inclusion.
- Placed **1st Runner-Up** among national finalists; earned 6 months of industry mentorship and internship opportunities.

DBT-GUARD — Payment-Failure Risk Prediction | *AI, Fintech* KSUM She Builds Tech 3.0
- Co-building, in a 4-member team, a tool that flags Direct Benefit Transfer payments likely to fail before disbursement.
- Selected in the **Top 10 of 300+ teams** for the Kerala Startup Mission Pre-Incubation Programme.

PhysioVision AI — Exercise Monitoring and Rep Counter | *Python, OpenCV, MediaPipe*
- Built a webcam app that tracks body landmarks with pose estimation and counts exercise repetitions in real time for home workouts.

Smart Travel Route Planner | *Spring Boot, Thymeleaf* 18-hour Hackathon
- Shipped a working prototype in 18 hours recommending stops, food and attractions along a route; designed the architecture, APIs and UI.

ACHIEVEMENTS

- **1st Runner-Up**, PFRDA National Hackathon, IIT Kanpur • **Top 10 of 300+**, She Builds Tech 3.0, Kerala Startup Mission (2026)
- **Top 32 of 400+ teams**, ANAVANDI Hackathon 2026, Jain School of Future Technology — deployed a live prototype in the qualifier.
- **Co-inventor, published Indian Patent**: “Guardian Wing: Collaborative Fleet Intelligence System” (App. No. 202641048328)

LEADERSHIP & ACTIVITIES

IEEE EMBS, CCE — *Design Team Lead* • **TinkerHub CCE** — *Core Volunteer* Jul 2026 – Present
- **GeeksforGeeks Campus Mantri** (6-month tenure): organised coding events and promoted DSA culture on campus.
- Coordinated an industrial visit for **60+ CSE students** to 3 tech companies; led an AR/VR technology event as main coordinator.
